

Chicago Rush

Teen Challenge Illinois Chicago, WMBI, and the Chicago Rush on the 31st of May came together for a great day in the Lord. The opportunity to evangelize the word of God to the lost and to encourage those in the body of Christ was awesome. The event started with a time of fellowship, music and testimonies from Teen Challenge graduates and one from Chicago Rush player (Dan Alexander). We wrapped up our pre-game festivities with tailgating, food, games and WMBI giveaways. Last but not least was the main event of the day, the game. The Rush battled hard with a come from behind victory. The final score was 52-47 Go Rush!
