

Welcome to teen challenge

Welcome to Teen Challenge Illinois. The mission of Teen Challenge Illinois is to provide successful faith-based solutions to individuals of all ages who are dealing with life-controlling issues, such as drug and alcohol addiction. Teen Challenge endeavors to help people become: mentally sound, emotionally balanced, socially adjusted, physically well, and spiritually alive. Teen Challenge is one of the most effective drug recovery programs in America, simply because moral development and spiritual development go hand-in-hand. Drugs and alcohol are not the central focuses of the Teen Challenge program; building character and moral training are vital for overcoming addiction.
